To Save America: Stopping Obama's Secular Socialist Machine

By Newt Gingrich

Book Description: As a new Congress takes over in Washington, Former Speaker of the House Newt Gingrich cautions that our 2010 victory was not the end of the fight – it was just the beginning. “*Conservatives took back the House, but America still has the most radical president in history, an enormous federal bureaucracy, and a faltering economy.*” So says Gingrich in the new paperback edition of his bestselling book, *To Save America*. Featuring a new introduction and completely updated throughout, *To Save America* paperback provides a roadmap for conservatives, laid out by the one person who has been there before: Newt Gingrich.

About the Author: Speaker Newt Gingrich is well known as the architect of the “Contract with America” that led the Republican Party to victory in 1994. Newt and his wife, Callista, host and produce historical and public policy documentaries.. He is an analyst for the Fox News Channel. As an author, Speaker Gingrich has published twenty-one books, including twelve fiction and non-fiction *New York Times* bestsellers.

ISBN: 978-1-59698-190-4 · Price: \$17.95 · Pub Month: January · Format: Paperback

*Spanish language rights are not available for *To Save America*.

365 Ways to Drive a Liberal Crazy

By James Delingpole

Book Description: Are liberals annoying the heck out of you? Well now you can fight back – every single day – with James Delingpole’s handy new guide of jokes, facts, arguments, and even outrageous rumors to spread that will have your liberal acquaintances recoiling in horror – and maybe even just possibly reconsidering their opinions. Need something to brighten your day and darken a liberal’s? Look no further. This is the book for you!

About the Author: James Delingpole terrorizes liberals on both sides of the Atlantic, writing for the conservative national newsweekly *Human Events* as well as *The Times* (of London), *The Spectator*, and *The Daily Telegraph*. He is the author of *Welcome to Obamaland: I Have Seen Your Future and It Doesn’t Work* and *How to Be Right: The Essential Guide to Making Left Liberals History*, as well as several comic novels, including an ongoing series of World War II novels featuring Dick Coward.

ISBN: 978-1-59698-642-8 · Price: \$14.95 · Pub Month: January · Format: Paperback

The Politically Incorrect Guide™ to Socialism

By Kevin Williamson

Book Description: Stalin's gulag, impoverished North Korea, collapsing Cuba...it's hard to name a dogma that has failed as spectacularly as socialism. And yet leaders around the world continue to subject millions of people to this dysfunctional, violence-prone ideology. In *The Politically Incorrect Guide™ to Socialism*, Kevin Williamson reveals the fatal flaw of socialism – that efficient, complex economies simply can't be centrally planned. In this provocative book, Williamson unfolds the grim history of socialism, showing how the ideology has spawned crushing poverty, devastating famines, and horrific wars. If you thought socialism went into the dustbin of history with the collapse of the Soviet Union, think again. Socialism is alive and kicking, and it's already spread further than you know.

About the Author: Kevin Williamson is deputy managing editor of *National Review*, a columnist for *New Criterion*, and an adjunct professor at the King's College in New York City. A frequent commentator on politics and economics, he has appeared on the *Glenn Beck Show*, the *Kudlow Report*, the *CBS Evening News*, the *BBC*, *Power & Politics*, CNN's *Parker Spitzer*, and dozens of talk radio programs.

ISBN: 978-1-59698-649-7 · Price: \$19.95 · Pub Month: January · Format: Paperback

Rollback: Repealing Big Government Before the Coming Fiscal Collapse

By Thomas E. Woods, Jr.

Book Description: The stock market is rebounding, banks are recovering, and the government is finally getting serious about spending cuts. Or so the morning newspapers and nightly news tell us. Not so fast, cautions bestselling author Tom Woods in his blockbuster new exposé, *Rollback: Repealing Big Government Before the Coming Fiscal Collapse*. "We're not on the road to recovery; we're on the road to economic Armageddon," explains Tom. "Thanks to decades of over-spending, over-promising, over-borrowing and over-printing, we've created a wave of debt that's about to swamp our already feeble economy and cripple us permanently." But in crisis there is opportunity. As *Rollback* reveals, we still have a chance to avert total economic disaster – but only by completely rolling back our runaway government and drastically cutting back the programs and agencies we've been taught we can't live without.

About the Author: Thomas E. Woods, Jr. holds a bachelor's degree in history from Harvard, and his M.A., M.Phil., and Ph.D. from Columbia University. A senior fellow at the Ludwig von Mises Institute, he is the author of eleven books, including the *New York Times* bestsellers *Meltdown* and *The Politically Incorrect Guide™ to American History*. Woods won the \$50,000 first prize in the 2006 Templeton Enterprise Awards for his book *The Church and the Market*.

ISBN: 978-1-59698-141-6 · Price: \$27.95 · Pub Month: February · Format: Hardcover

Gangster Government: *Barack Obama and the New Washington Thugocracy*
By David Freddoso

Book Description: *New York Times* bestselling author David Freddoso provides the much-needed exposé of an administration that has brought Chicago-style corruption and strong-arm politics to Washington, looking to reward its friends (the unions, federal workers, and other liberal interest groups) and punish its enemies (the private sector workers and taxpayers who foot the bill for Obama's massive expansion of the federal government). *Gangster Government* is a devastating and revealing look at the momentous first two years of the Obama administration and its subversion of our Constitution and laws. It casts a hard look at a president whose training on Chicago's political playground shines through every bent law and every broken promise.

About the Author: David Freddoso is a political reporter for *The Washington Examiner* and the author of the *New York Times* bestseller *The Case Against Barack Obama*. Previously he covered Capitol Hill for National Review Online and was a reporter for *Human Events* and the *Evans-Novak Political Report*.

ISBN: 978-1-59698-648-0 · Price: \$27.95 · Pub Month: April · Format: Hardcover

The Terrorist Next Door: *How the Government Is Deceiving You About the Islamist Threat*
By Erick Stakelbeck

Book Description: Amid daily reports of violence and conflict in the Middle East, most people feel safe from terrorist attacks on their own shores. And the recent series of thwarted bombing attempts have been dismissed as not terrorist attacks but isolated incidents by "extremists." "Not so," says investigative reporter Erick Stakelbeck in *The Terrorist Next Door*. Exposing just how determined, patient, and adaptable Islamic terrorists are, Stakelbeck has gained unprecedented access to the terrorists themselves as well as the mega-mosques and secret terrorist training camps that are cropping up in seemingly unlikely places across America, and he provides first hand evidence of just how vulnerable America is. Stakelbeck's on-the-ground reporting reveals what the terrorists themselves say about destroying America and argues that the Obama administrations relentless push to appease Islamists is only putting America in more danger.

About the Author: Erick Stakelbeck is an investigative reporter on terrorism and national security and host of the *Stakelbeck on Terror* program on CBN News. Frequently appearing as a terrorism analyst on FOX News, CNN, MSNBC, al-Hurra, the BBC, and the *Savage Nation* radio show, Stakelbeck has written articles on Islamic extremism, global terrorism, and national security for the *Wall Street Journal Europe*, *Weekly Standard*, *Washington Times*, *New York Post*, *New York Sun*, *Jerusalem Post*, and National Review Online, among other publications.

ISBN: 978-1-59698-152-2 · Price: \$27.95 · Pub Month: May · Format: Hardcover

A Nation Like No Other: *Why American Exceptionalism Matters*

By Newt Gingrich

Book Description: Despite what the liberal elites say, we know the truth: America is an exceptional nation. But the president and his friends don't agree. In fact, they are actively working to weaken America by ridiculing the very principles that have made us great. So how do we refute the leftists who argue that patriotism is simply empty boasting? As presidential candidate and historical scholar Newt Gingrich explains – we just need to remember a few key phrases from our Founders.

About the Author: Speaker Newt Gingrich is well-known as the architect of the “Contract with America” that led the Republican Party to victory in 1994. Newt and his wife Callista host and produce historical and public policy documentaries. Recent films include *A City Upon a Hill: The Spirit of American Exceptionalism*, *Nine Days that Changed the World*, and *Ronald Reagan: Rendezvous with Destiny*. As an author, Speaker Gingrich has published twenty-four books, including thirteen fiction and non-fiction *New York Times* bestsellers.

ISBN: 978-1-59698-271-0 · **Price:** \$29.95 · **Pub Month:** June · **Format:** Hardcover

*Spanish language rights are not available for *A Nation Like No Other*.

After America: *Get Ready for Armageddon*

By Mark Steyn

New York Times Bestseller

Book Description: In his *New York Times* bestseller *America Alone*, author and journalist Mark Steyn warned us about the impending collapse of every country in the western world *except* America. The good news is the west’s demise is still on schedule. The bad news is America is now on the same path – and running head first towards Armageddon. So says Steyn in his blockbuster book, *After America*. Our ruin won’t be gradual like Greece or Italy. Its coming by the express way thanks to the Obama spendaholics who have spent too much of tomorrow today, supersized the state to mammoth proportions, and sold our bonds – along with our souls – to China. The result? A Post-America world where Western Europe is semi-Islamic, Iran is the dominant power in the Middle East (thanks to their nuclear arsenal), China is the new superpower, Latin America is for sale to the highest bidder, and humans are just one disease away from being extinct. Yet as Steyn shows, terminal decline is not our only option. Hilarious and devastating, *After America* is Steyn’s most powerful book yet.

About the Author: Mark Steyn is the bestselling author of the book *America Alone*. His writing on war, politics, the arts, and culture has appeared in almost every major newspaper around the world. In the United States he is *National Review’s* Happy Warrior, as well as a regular guest-host of America’s Number One radio show, *The Rush Limbaugh Show*, and America’s Number Two cable news show, *Hannity* on Fox News.

ISBN: 978-1-59698-100-3 · **Price:** \$29.95 · **Pub Month:** August · **Format:** Hardcover

Don't Let the Kids Drink the Kool-Aid: *Confronting the Left's Assault on Our Families, Faith, and Freedom*

By Marybeth Hicks

Book Description: Liberals always think “they know best.” Yet never before has the Left been so determined to brainwash our kids, says *Washington Times* columnist Marybeth Hicks in her new book, *Don't Let the Kids Drink the Kool-Aid*. Whether it's through schools, the media, or so-called “parenting experts,” Hicks exposes the myriad ways liberals are indoctrinating tomorrow's voters and the next generation of leaders into a socialist worldview. By destroying our children's ambitions, work ethic, optimism and faith, liberals are creating a generation of citizens who believe they are entitled to a lifetime of government care. The inevitable result? A society that will succumb to a system that robs them of liberty and prosperity in the name of social order. Revealing shocking stories and offering bold solutions, *Don't Let the Kids Drink the Kool-Aid* calls on everyone to stand up to the Left and refuse to let them ruin our children.

About the Author: Marybeth Hicks is a nationally-syndicated columnist, author, and motivational speaker. She is also Editor-in-Chief of the Family Events Newsletter, which reaches hundreds of thousands of conservative readers every week. As a weekly cultural columnist for the *Washington Times*, Hicks' column runs on many online news sites including Townhall.com, JewishWorldReview.com, and CatholicExchange.com. Author of the book *Bringing Up Geeks*, Hicks has been the keynote speaker for the KidsRisk Symposium, the National Catholic Education Association Conference, the Midwest Catholic Family Conference, and is a regular speaker at schools, churches, and community groups.

ISBN: 978-1-59698-151-5 · **Price:** \$27.95 · **Pub Month:** August · **Format:** Hardcover

A Point in Time: *The Search for Redemption in This Life and the Next*

By David Horowitz

Book Description: *New York Times* bestselling author David Horowitz is famous for his conversion from 1960s radicalism. In *A Point in Time*, his lyrical yet startling book, he offers meditations on an even deeper conversion, one which touches on the very essence of every human life. Part memoir and part philosophical reflection, *A Point in Time* focuses on man's inevitable search for meaning – and how for those without religious belief, that search often leads to a faith in historical progress, one that is bound to disappoint. Interweaving episodes of his own life with the writings of the philosopher and the novelist, Horowitz explores how we provide meaning to an apparently senseless existence and the dire consequences that follow from seeking to redeem it by attempting to make a perfect world out of the imperfect one in which we find ourselves.

About the Author: David Horowitz is the author of numerous books, including the *New York Times* bestseller *Unholy Alliance*, as well as *The Professors*, and his celebrated autobiography *Radical Son*. He is president of the David Horowitz Freedom Center and founder of the online news magazine FrontPageMag.com. *A Point in Time* is the third in a series of autobiographical reflections on life and death, which include *The End of Time* and *A Cracking of the Heart*.

ISBN: 978-1-59698-290-1 · **Price:** \$24.95 · **Pub Month:** August · **Format:** Hardcover

How Civilizations Die (*And Why Islam Is Dying Too*)

By David Goldman

Book Description: Past and present civilizations fail for many reasons, but the number one predictor of a civilization's survival is its sense of religion – or lack thereof. So argues David Goldman in his book *How Civilizations Die (And Why Islam is Dying Too)*. The strength of a civilization's religion affects its purpose, its fertility rate, and ultimately, its fate, says Goldman – who then argues that contrary to popular belief, Islamic countries are in the last throws of dying while Christian America is in a position to flourish. Goldman goes on to say that America must embrace our exceptionalism and stop trying to save Muslim countries that are determined to destroy themselves. Original, stunning, and provocative, *How Civilizations Die (And Why Islam is Dying Too)* shows the power of religion to save – or doom – a society.

About the Author: David Goldman is a columnist for *First Things* magazine as well as an economist and author. He is also a columnist for Asia Times Online and writes under the name "Spengler." Prior to *First Things* and Asia Times Online, Goldman was the global head of credit strategy for Credit Suisse, the global head of fixed income research at Bank of America, and a columnist for *Forbes*. In addition to his journalism and financial work, Goldman is a regular on The Kudlow Report and has also been on Glenn Beck Radio.

Injustice: *Exposing the Racial Agenda of the Obama Justice Department*

By J. Christian Adams

Book Description: Justice is supposed to be blind, especially to race and politics. Yet as Department of Justice (DOJ) whistleblower J. Christian Adams divulges in his shocking exposé, the Obama administration's pursuit of justice is alarming, unfair and corrupt. In *Injustice*, Adams reveals the never-before-published truth about the corrupt, racist, and politicized inner workings of the Obama Justice Department – as well as the untold story of the DOJ's handling of the Black Panther voter intimidation case. After watching the Department of Justice continually turn a blind-eye to voter fraud, blatant racism, and voter rights abuses, Adams finally blew the whistle on the DOJ during the Black Panther voter intimidation case. A case that Adams brought to the Department of Justice's attention and ultimately resigned over, because of the corruption and perjury Adams witnessed leading up to and after the case's orchestrated dismissal. Revealing unknown and startling examples of racism and corruption at the local, state, and federal level, *Injustice* exposes a Justice Department that is anything but just.

About the Author: J. Christian Adams is an election lawyer who served in the Voting Rights Section at the U.S. Department of Justice (DOJ) and who blew the whistle on the DOJ's handling of the Black Panther voter intimidation case.

ISBN: 978-1-59698-277-2 · **Price:** \$27.95 · **Pub Month:** October · **Format:** Hardcover

The Politically Incorrect Guide™ to the British Empire

By H.W. Crocker III

Book Description: Nothing offends liberals and leftists more than western imperialism – it is racism, sexism, and chauvinism all in one. And of course the epitome of western imperialism is the British Empire, the biggest empire the world has ever known, covering at its height a quarter of the globe’s surface and ruling a quarter of the world’s population. In *The Politically Incorrect Guide™ to the British Empire*, bestselling author H.W. Crocker III exposes – in brawling, rambunctious style – how the British Empire was actually one of the greatest establishers and defenders of freedom in history. *The Politically Incorrect Guide™ to the British Empire* provides a panoramic and provocative view of four hundred years of history that will delight and amuse, educate and entertain.

About the Author: H.W. Crocker III is a bestselling author and frequently writes about military history. He is the author of *The Politically Incorrect Guide™ to the Civil War*, *Robert E. Lee on Leadership, Triumph, Don’t Tread on Me*, and the prize-winning comic novel *The Old Limey*. His journalism has appeared in *National Review*, *The American Spectator*, *The Washington Times*, and many other outlets. Crocker is the executive editor of Regnery Publishing.

ISBN: 978-1-59698-629-9 · **Price:** \$19.95 · **Pub Month:** October · **Format:** Paperback

Bowing to Beijing: How Barack Obama is Hastening America’s Decline and Ushering a Century of Chinese Domination

By Brett M. Decker and William C. Triplett II

Book Description: Communist China is becoming a global superpower. The trouble is, they are lying, cheating, and stealing to do it. What’s worse, President Obama is not only letting this happen, but helping China do so. So argue *Washington Times* editor Brett M. Decker and bestselling author William C. Triplett II in their shocking new book, *Bowing to Beijing*. In *Bowing to Beijing*, Decker and Triplett reveal how China’s rapid rise directly correlates with America’s decline – and the dangerous consequences this trend holds for us here and abroad. Exposing how China is unabashedly threatening and shaming us militarily, economically, and politically. The “win-win” U.S. relationship with China (in which Obama appeases China so they win twice while we lose) is crippling the U.S. economy and dangerous for the future. We must respond and stop China’s power grab if we want to preserve our standard of living, our global influence and our freedom.

About the Authors: Brett Decker was previously stationed in Hong Kong as an editor and editorial page writer for the *Wall Street Journal*. He is now the editorial page editor at the *Washington Times* and author of *Global Filipino*.

William C. Triplett II is the co-author of the *New York Times* bestseller *Year of the Rat*, *Red Dragon Rising*, and *Rogue State*. He is the former Chief Republican Counsel to the Senate Foreign Relations Committee and his articles on China have appeared in top-tier print.

Time To Get Tough: Making America #1 Again

By Donald J. Trump

Book Description: America is in serious trouble and our days as a superpower are numbered, argues businessman and entrepreneur Donald J. Trump in his blockbuster new book. *“Our nation has become a whipping post for the rest of the world. It’s time to get tough on China and other countries that are methodically and systematically taking advantage of the United States,”* says Trump. With his trademark candor and charisma, Trump reveals his hard-line, commonsense solutions to the problems plaguing us today and shows how we can put our country back on the path to greatness. Nobody is better at achieving spectacular success than Donald Trump. Now, in his new book, Trump shows how America can do the same.

About the Author: Donald J. Trump is the Chairman and President of the Trump Organization, a bestselling author and an international leader in global real estate development/global licensing, sales & marketing, property management, golf course development, entertainment, product licensing and brand development. Trump is also the star and executive producer of the #1-rated NBC show, *Celebrity Apprentice*.

Secret Weapon

By Kevin D. Freeman

Book Description: In the wake of the September 2008 financial crisis, politicians and pundits rushed to assign blame. Liberals pointed at greedy Wall Street bankers; conservatives pointed at perverse federal regulations. Democrats and Republicans blamed each other. But nobody blamed the true culprits: America’s foreign enemies. So argues world-renowned economic warfare and financial terrorism expert Kevin D. Freeman in his shocking new book, *Secret Weapon*. In *Secret Weapon*, Freeman reveals how our nation’s enemies – China, Iran, Russia, and the Arab States – are waging economic warfare on America by using our own financial infrastructure and systems against us. In this age of technology and globalization, Freeman’s book shows how terrorism is no longer confined to bombs and planes, and how our enemies are using a new – and more dangerous – secret weapon against us.

About the Author: Kevin D. Freeman is one of the world’s leading experts on economic warfare and financial terrorism, and was commissioned by the Pentagon to write a report on the September 2008 financial meltdown. He has consulted for and worked with congressional members, as well as past and present CIA, DIA, FBI, SEC, Homeland Security, Justice Department, and Defense Department officials. Currently, Freeman is the CEO of Freeman Global Investment.

Ronald Reagan Our 40th President

By Winston Groom

Age Group: Young Adults

Book Description: Ronald Reagan is a revered and popular president who inspired America and shaped the future more than any other modern president. Yet, despite the numerous books about him, many young adults still don't know President Reagan's remarkable life story. Until now. Enter *Ronald Reagan Our 40th President*. Written by Winston Groom, author of the national bestseller, *Forrest Gump*, *Ronald Reagan Our 40th President* is the first book about the Great Communicator written especially for young adults. Starting with Ronald Reagan's early days to Reagan's political accomplishments to his personal traits that set him apart from other presidents, *Ronald Reagan Our 40th President* masterfully weaves in American history and lessons about economics, our legislative system, and what it means to be upstanding leader.

About the Author: Winston Groom is the bestselling author of *Forrest Gump*. His other books include the Pulitzer Prize finalist *Conversations with the Enemy* and *As Summers Die*. Prior to becoming an author, Groom worked as a journalist for the *Washington Star*, and he currently writes for *The Weekly Standard*.

ISBN: 978-1-59698-795-1 · **Price:** \$12.95 · **Pub Month:** February · **Format:** Paperback

The Politically Incorrect Guide™ to the Presidents

By Steven F. Hayward

Book Description: Many of us memorized the list of presidents when we were in grade school. but how many of us really know more than the names, dates and conventional wisdom? Now, in *The Politically Incorrect Guide™ to the Presidents*, historical author and economist Steven F. Hayward takes a look at the cold truth about the Commanders-in-Chief from the last century. Hayward evaluates their strengths and their flaws – but most importantly, he evaluates them based on their fidelity to the Constitution, a characteristic all but ignored in the past. In great detail, *Politically Incorrect Guide™ to the Presidents* pulls back the curtain on the last 17 leaders of the free world, examining their records and revealing the good, the bad and the ugly like never before.

About the Author: Steven F. Hayward is the F.K Weyerhaeuser Fellow in Law and Economics at the American Enterprise Institute in Washington D.C. and is a regular contributor to the influential blog, *Powerline*. His written work has appeared in the *New York Times*, *Washington Post*, the *Wall Street Journal*, the *San Francisco Chronicle*, and the *Chicago Tribune*. Hayward is also an author whose previous books include the critically-acclaimed two-volume biography of Ronald Reagan, *The Age of Reagan*; *Churchill on Leadership*; and *Greatness: Reagan, Churchill, and the Making of Modern Statesmen*.

ISBN: 978-1-59698-776-0 · **Price:** \$19.95 · **Pub Month:** February · **Format:** Paperback

Marked for Death: Islam's War Against the West and Me

By Geert Wilders

Book Description: Geert Wilders lives in a heavily protected safe house, which is bomb and bullet proof. Everyday he is driven to work in an armored car with a police escort, and when he's not at work or in a safe house, armed guards are with him. Why? Because Geert Wilders is marked for death by Islamic extremists. In his new book, *Marked for Death*, Dutch parliamentarian Geert Wilders tells his never-before-published story about the jihad being waged against him – and the West – by radical Islamists. Revealing how he has been censored, intimidated, bullied, threatened, and even banished from the UK for politically opposing Islam and telling the truth about its violent history and nature, Wilders explains why what has happened to him is happening here in our own country and all across the West – and why Americans need to stop the infiltration of radical Islam now.

About the Author: Geert Wilders is a politician and leader of the Party for Freedom, the third-largest political party in the Netherlands. He is also known as an outspoken opponent of Islam. Wilders has campaigned to stop the “Islamisation of the Netherlands” and has also worked to have the Quran banned in the Netherlands. An advocate of ending immigration from Muslim countries, Wilders also supports banning the construction of new mosques. His controversial film about his views on Islam, *Fitna*, received international attention, and resulted in him being banned from the UK during part of 2009. During 2009, the Amsterdam Court of Appeal ordered Wilders' prosecution for “incitement to hatred and discrimination.” On June 23, 2011, Wilders was acquitted of the charges.

ISBN: 978-1-59698-796-8 · **Price:** \$27.95 · **Pub Month:** April · **Format:** Hardcover

The Amateur

By Edward Klein

Book Description: It's amateur hour at the White House. So says *New York Times* bestselling author Edward Klein in his new political exposé *The Amateur*. Tapping into the public's growing sentiment that President Obama is in over his head, *The Amateur* argues that Obama's toxic combination of incompetence and arrogance have run our nation and his presidency off the rails. Klein, who is known for getting the inside scoop on everyone from the Kennedys to the Clintons, reveals the never-before-published details about the Obama administration's political inner workings and about Barack and Michelle's personal lives. *The Amateur* reveals a president whose ignorance and incompetence is sabotaging himself, his presidency, and America.

About the Author: Edward Klein is a seven-time *New York Times* bestselling non-fiction author. He is also the former foreign editor of *Newsweek* and former editor-in-chief of *The New York Times Magazine*. Klein frequently contributes to *Vanity Fair* and *Parade*, and currently lives in New York.

ISBN: 978-1-59698-785-2 · **Price:** \$27.95 · **Pub Month:** April · **Format:** Hardcover

The Jane Austen Guide to Happily Ever After

By Elizabeth Kantor

Book Description: Too many women today are settling for “good enough” when it comes to men, relationships, sex, and marriage. But we can have the kind of love that will make us truly happy, if only we ask ourselves one simple question: What would a Jane Austen heroine do? In *The Jane Austen Guide to Happily Ever After* author and critic Elizabeth Kantor explains how Austen heroines can teach us how to navigate the modern-day minefields of dating, love, relationships, and sex. *The Jane Austen Guide to Happily Ever After* is the perfect book for Jane Austen enthusiasts and women searching for the lifelong love and true happiness that Elizabeth Bennett finds with Mr. Darcy.

About the Author: Elizabeth Kantor is author of *The Politically Incorrect Guide™ to English and American Literature* and an editor for Regnery Publishing. Prior to Regnery, she was the editor of the Conservative Book Club and a writer for *Human Events*. Kantor earned her Ph.D. in English from the University of North Carolina at Chapel Hill and an M.A. in philosophy from Catholic University in Washington, D.C.

The Great Destroyer: Barack Obama's War on the Republic

By David Limbaugh

Book Description: In his #1 *New York Times* bestseller *Crimes Against Liberty*, David Limbaugh penned a damning indictment of President Barack Obama's misrule during his first two years in office. In Limbaugh's blockbuster new book, *The Great Destroyer*, he sets his sights on the remainder of Obama's presidency revealing President Obama's latest crimes against liberty. Exposing Obama's counterfeit image as a champion of bipartisan compromise, Limbaugh relates in shocking detail how the president resorts to class-warfare demagoguery to advance a stunningly ideological agenda. *The Great Destroyer* also reveals how Obama's left-wing policies have become increasingly destructive to the nation, putting America on a collision course with fiscal ruin and international powerlessness. We must drastically change course, Limbaugh argues, or else our country will fall into an abyss that could take generations from which to escape. Controversial, compelling, and original, *The Great Destroyer* is Limbaugh's most powerful book yet.

About the Author: David Limbaugh is a lawyer, nationally syndicated columnist with Creators Syndicate, political commentator, and author of the #1 *New York Times* bestseller *Crimes Against Liberty*. He is also author of *Absolute Power*, *Persecution*, and *Bankrupt*, all of which were *New York Times* bestsellers as well.

ISBN: 978-1-59698-777-7 · **Price:** \$29.95 · **Pub Month:** June · **Format:** Hardcover

Obama's America: *What Four More Years Will Bring*

By Dinesh D'Souza

Book Description: In his controversial *New York Times* bestseller, *The Roots of Obama's Rage*, Dinesh D'Souza answered the question on everyone's mind: why is President Obama hell-bent on seeing America fail? The reason, D'Souza argued, is that Obama inherited an anti-colonialism ideology from his father. And it is that resentment towards the colonial system and the West in general that is driving President Obama to destroy our nation's wealth, ambition, and leadership on the global stage. Now, in his blockbuster follow-up, *Obama's America*, D'Souza not only shows how President Obama's recent actions, policies, and rhetoric have confirmed D'Souza's theory about Obama's anti-colonialist roots, but how President Obama is actively working to remake America into a country that our Founders would hardly recognize.

About the Author: Dinesh D'Souza is the president of The King's College in New York City and author of the *New York Times* bestseller *The Roots of Obama's Rage*. He is also a former White House domestic policy analyst and research scholar at the American Enterprise Institute and the Hoover Institution at Stanford University. His other best-selling books include *What's So Great About Christianity*, *What's So Great About America*, and *Life After Death*.

REGNERY HISTORY

www.RegneryHistory.com

History is full of villains, stories and back stories. But too often, only one side of the story reaches the public. That's why Regnery Publishing is proud to announce the launch of its new imprint Regnery History! Beginning in fall 2011, Regnery History will introduce the most fascinating and captivating titles within history, biography, and military categories.

Omar Bradley by Jim DeFelice

LeMay by Warren Kozak

Bully! by Rick Marschall

Founding Rivals by Chris DeRose

The Founding Fathers Guide to the Constitution by Brion McClanahan

George Washington's Military Genius by Dave R. Palmer

Fatal Dive by Peter F. Stevens

Omar Bradley: *General at War*

By Jim DeFelice

Book Description: He was known as “the G.I. General” – humble, self-effacing, hard-working, reflecting the small-town virtues of the America whose uniform he wore. But those very virtues have led historians to neglect General Omar Bradley – until now. Bestselling author Jim DeFelice, in this, the first-ever in-depth biography of America’s last five-star general, tells Bradley’s full story, and argues that the neglected G.I. General did more than any other to defeat Hitler in World War II. While General George S. Patton has garnered much of the glory, General Dwight David Eisenhower has claimed much of the world’s respect, and British General Bernard Montgomery has kept the Union Jack flying, as DeFelice proves, it was the unassuming Bradley who actually developed the strategy and the tactics that won the war in Europe. Provocative, thorough, original, Jim DeFelice’s *Omar Bradley: General at War* deserves a place on the shelf of every reader of World War II history.

About the Author: Jim DeFelice is the author of more than three dozen books, including the acclaimed *Rangers at Dieppe*, covering the first U.S. Army Ranger combat action of World War II, and many military thrillers co-authored with Larry Bond, Dale Brown, Stephen Coonts, and former U.S. Navy SEAL Richard Marcinko.

LeMay: *The Life and Wars of General Curtis LeMay*

By Warren Kozak

Book Description: The critically-acclaimed book, *LeMay*, is now available in paperback! Written by military biographer Warren Kozak, *LeMay* offers an unprecedented glimpse into the might and mind of one of America’s most innovative – and infamous – military commanders: General Curtis LeMay. Despite playing a major role in many important military events of the last century – from defeating Japan in WWII to being on the Joint Chiefs during the Cuban Missile Crisis – historians have been content to paint LeMay as a crude, trigger-happy, cigar-chomping general who joined political forces with one of America’s most famous racists, George Wallace. Yet in *LeMay*, Kozak brings to light the LeMay that only those close to him knew – a patriotic commander who was gruff yet compassionate, brilliant yet misunderstood, accomplished yet vilified. Compelling and comprehensive, *LeMay* reveals the politically incorrect truth about one of America’s most misunderstood military heroes and shows why today, more than ever, we need another man like Curtis LeMay.

About the Author: Warren Kozak is an author and journalist who has written for television’s most respected news anchors, including Diane Sawyer and Peter Jennings. Winner of the prestigious Benton Fellowship at the University of Chicago in 1993, he was an on-air reporter for NPR and his work has appeared on PBS and in the *Wall Street Journal*, the *Washington Post*, and the *New York Sun* as well as other newspapers and magazines.

Bully!: The Life and Times of Theodore Roosevelt: Illustrated With More Than 250 Vintage Political Cartoons

By Rick Marschall

Book Description: Beloved for everything from his big teeth and glasses to his famous expressions and political achievements, President Teddy Roosevelt is one of America's most admired – and most cartooned – leaders. In *Bully!: The Life and Times of Theodore Roosevelt*, author Rick Marschall brings to life this great American hero through text and the most compelling of print images: political cartoons. Featuring more than 200 full-color and black & white vintage illustrations, *Bully!* documents Roosevelt's remarkable life and incredible accomplishments as no other biography has. From Roosevelt's childhood days to his storied Rough Riders and inspiring presidency, Marschall paints a vivid and compelling portrait of "the colonel" through words and colorful images alike. Unique and comprehensive, *Bully!* is the one book every TR fan should own.

About the Author: Rick Marschall is a writer and editor as well as a comic strip and cartoon historian. Formerly an editor for Marvel and a writer for Disney, Marschall has written for numerous publications and maintains the nation's largest private collection of cartoon art, printed material, memorabilia, and related images.

Founding Rivals: Madison vs. Monroe, the Bill of Rights and the Election That Saved a Nation

By Chris DeRose

Book Description: In 1789, two friends and future presidents found themselves battling each other in the most important congressional election in American history. Hanging in the balance? The Constitution and the fate of The United States of America. In *Founding Rivals*, author Chris DeRose tells the never-before-told story of the 1789 congressional election in Virginia's 5th district and of the two men who fought it: James Madison and James Monroe. Pulling back the curtain on the only congressional race in which two future presidents would compete against each other, *Founding Rivals* tells the story of the high-stakes political battle that created the Bill of Rights, preserved the Constitution, and ensured the survival of the United States.

About the Author: Chris DeRose is an attorney and also serves as a political strategist for candidates in state and Federal office. For the past 15 years, he has been involved in campaigns at every level in five different states.

The Founding Fathers Guide to the Constitution

By Brion McClanahan

Book Description: Today more than ever, Americans are debating the Constitution, with both the Left and Right claiming its meaning as their own. Leftists cite the “elastic” clauses of the Constitution while conservatives reference its “limiting” powers. But how did the founding generation really intend us to interpret and apply the Constitution? In his new book, *The Founding Fathers Guide to the Constitution*, author Brion McClanahan looks to the one group of people who can answer these questions for us: our Founding Fathers. Original and timely, *The Founding Fathers Guide to the Constitution* is the definitive layman’s guide to America’s most important – and most misunderstood – historical document.

About the Author: Brion McClanahan is author of *The Politically Incorrect Guide™ to the Founding Fathers* and holds an M.A. and Ph.D. in American history from the University of South Carolina. Born in Virginia, he attended high school in Delaware and received a B.A. in history from Salisbury University in Maryland.

Churchill: The Prophetic Statesman

By James Humes

Book Description: Who could have foreseen the start of World War I twenty-five years before the assassination of a Serbian archduke plunged Europe into war? Who could have predicted the rise of al-Qaeda nearly eight decades before anyone had heard of Osama bin Laden? Winston Churchill did. And for the first time bestselling author James C. Humes reveals these and other shocking predictions from the famous British leader, in his new book *Churchill: The Prophetic Statesman*. In fascinating detail, Humes documents the spot-on prophecies Churchill foretold and the political consequences he endured for sharing them.

About the Author: James C. Humes is a former White House speech writer for five presidents and a Pulitzer Prize-nominated author of 34 books, including *Speak Like Churchill, Stand Like Lincoln*; *The Wit and Wisdom of Ronald Reagan*; and *Churchill: Speaker of the Century*. Humes has also served as a Pennsylvania state legislator, worked as a lawyer and was the Director of Policy and Plans at the U.S Department of State. He is currently a historian at the University of Colorado at Colorado Springs.

ISBN: 978-1-59698-775-3 · **Price:** \$27.95 · **Pub Month:** May · **Format:** Hardcover

George Washington's Military Genius

By Dave R. Palmer

Book Description: George Washington's military strategy has been called bumbling at worst and brilliant at best. So which is it? Was George Washington a strategic genius or just lucky? So asks Dave R. Palmer in his new book, *George Washington's Military Genius*. An updated edition of Palmer's earlier work, *The Way of the Fox, George Washington's Military Genius* breaks down the American Revolution into four phases and analyzes Washington's strategy during each phrase. Confronting the critics who say Washington's battlefield success and ultimate victories were a function of luck, *George Washington's Military Genius* proves why George Washington deserves the title of America's preeminent strategist.

About the Author: Dave R. Palmer is a retired lieutenant general of the United States Army, two-tour veteran of Vietnam, former superintendent of West Point, and accomplished military historian specializing in the campaigns of George Washington and the eighteenth-century American army. He often appears as a commentator in television documentaries on the Revolutionary War period and its generals and is the author of many books, including *George Washington and Benedict Arnold*, *The Summons of the Trumpet*, *The Way of the Fox*, and *George Washington: First in War*.

Fatal Dive: Solving the World War II Mystery of the U.S.S. Grunion

By Peter F. Stevens

Book Description: No radio distress call ever crackled from the U.S.S. Grunion submarine. In 1942, under the fog of World War II, she simply vanished without a trace. For nearly sixty-five years, only a dead silence lingered regarding the fate of the sub and her seventy-man crew – until now. In his new book, *Fatal Dive*, author Peter F. Stevens reveals the incredible true story of the search for and discovery of the U.S.S. Grunion – as well as the U.S. Navy's shocking and willful cover up of the submarine's baffling disappearance. Discovered in 2006 after a decades-long search by the Abele brothers – whose father commanded the submarine and met his untimely death aboard it – one question remained: what sank the U.S.S. Grunion? Now, for the first time ever, *Fatal Dive* reveals damning and never-before-published government documents that provide irrefutable evidence of the Navy's shameful cover-up. Intriguing and explosive, *Fatal Dive* finally lays to rest one of World War II's greatest mysteries.

About the Author: Peter F. Stevens, news and features editor of *The Boston Irish Reporter*, is a veteran journalist with a specialty in historical writing. His work is syndicated by *The New York Times* and has been published in dozens of magazines and newspapers. Stevens is also a two-time winner of the International Regional Magazine Association's Gold Medal for Feature Writing and the award-winning author of *The Voyage of the Catalpa: A Perilous Journey and Six Irish Rebels' Escape to Freedom*.
